

Hi from the famous little Easter Bunny
I'm here to bring you something funny!
Hippity grunt, hippity punt
Lets go on an Easter hunt!
Here is the very first clue
Run to where your dad has his shoes!

Carrots are my all-time favorite treat, go
to the place where you can get a cold bite
to eat!

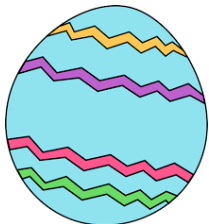

Another clue, you are doing great! The clue is
where you lay your head when its getting late!

Keep going with quick but quiet feet,
Your next clue is where you sit to eat!

You're getting so close, just a couple clues more
To find the next clue, go to your front door!

The next place you go, you might have to plug
your nose! Go to where you keep your dirty
clothes!

Lets keep going you are almost there,
Go to a window for some fresh air!

This is the last clue, I can't believe you
are done,

Go to the closet and go see all the fun!

Happy Easter!

Love,

The Easter Bunny
